LOVE YOUR NEIGHBOR KNOX 2025

This year, Church Street will join other churches in Knoxville in February to spread love in our community and to remind our neighbors that we have more in common than not. Everyone is worthy of being loved! There are two ways to get involved with Love Your Neighbor Knox at Church Street this month:

February 2 - February 28

Everyone in the Love Your Neighbor collective is partnering with Second Harvest Food Bank to add a service element to our Love Your Neighbor initiative. Join us as we collect food to stock the shelves for our hungry neighbors during Second Harvest's slowest season of the year. Bring canned foods to the Welcome Center!

February 16

The Church Street H.O.W. Committee encourages you to invite a friend to church on Sunday, February 16! What better way to show love for your neighbor?

Note: The ministries above are primarily connected to missions and community outreach. Contact a pastor or communications@churchstreetumc.org or 865-524-3048 for additional support in finding a ministry leader.
