MAY MISSION FOCUS

In the past, Church Street has supported Food Buckets for Ishe Anesu in Zimbabwe.

In May, we will continue to support those buckets (pictured at right) and also support UMCOR cleaning buckets. We are asking for **\$45 donations** to fund each of these important conference ministries!

Donations can be designated to “Zimbabwe Food Buckets” or “UMCOR Cleaning Buckets.”

Zimbabwe Food Buckets include food items like flour, sugar and rice that allow our friends at Ishe Anesu to feed the children in their care throughout the year. UMCOR Cleaning Kits, which contain items like clothesline and pins, laundry detergent and trash bags, help those affected by floods, hurricanes and tornadoes to begin the overwhelming job of cleaning up.

Note: The ministries above are primarily connected to missions and community outreach. Contact a pastor or communications@churchstreetumc.org or 865-521-0299 for additional support in finding a ministry leader.
